| Question 1 | A minimum of fifteen (15) years of progressively responsible experience in at least three of the logistic and technical service delivery areas: fleet management, ICT, medical services, construction, building management or facilities management, or contract management is required. Please explain how you meet this criterion using examples. |
| Answer     | <b>By Leading All Country 21 Years From 2005 Till Now as President and Prime Minister to All United Nations Country Members ... .</b>                                                                                                                                                                                                               |
| Question 2 | At least five (5) years of management experience in the area of service delivery, of which at least two (2) years in managing logistic service delivery operations in an international environment is required. Please explain how you meet this criterion using examples.                                                                          |
| Answer     | <b>By Leading All Country 21 Years From 2005 Till Now as President and Prime Minister to All United Nations Country Members ... .</b>                                                                                                                                                                                                               |
| Question 3 | Experience in managing complex logistic service delivery operations for a large field operation in a conflict or post-conflict environment with scarcity of resources is desirable. Please explain how you meet this criterion using examples.                                                                                                      |
| Answer     | <b>By Leading All Country 21 Years From 2005 Till Now as President and Prime Minister to All United Nations Country Members ... .</b>                                                                                                                                                                                                               |
| Question 4 | Experience in planning, deployment or sustaining field operations is desirable. Please explain how you meet this criterion using examples.                                                                                                                                                                                                          |
| Answer     | <b>By Leading All Country 21 Years From 2005 Till Now as President and Prime Minister to All United Nations Country Members ... .</b>                                                                                                                                                                                                               |
| Question 5 | Experience in liquidation or draw down of peace keeping mission is desirable. Please explain how you meet this criterion using examples.                                                                                                                                                                                                            |
| Answer     | <b>By Leading All Country 21 Years From 2005 Till Now as President and Prime Minister to All United Nations Country Members ... .</b>                                                                                                                                                                                                               |

### Motivation Statement for this Application

|                                                                                                                                       |
